COLONEL LIGHT'S LOOKOUT ON MONTEFIORE HILL

Colonel Light's Lookout on Montefiore Hill offers spectacular views over Adelaide, night and day. You'll fall in love with Adelaide (if you haven't already) the second you take in the view. Spot the world-class Adelaide Oval, the beautiful 'green-belt' of the Adelaide Park Lands and the hustle and bustle in the heart of the City.

INTERNATIONAL ROSE GARDEN (ADELAIDE BOTANIC GARDEN)

One of the most beautiful spots in Adelaide, the Botanic Garden is the perfect place to relax all year round. Located within, the International Rose Garden is particularly stunning, displaying over 5,000 roses that will absolutely delight your senses. Sit down and have a picnic, or just have a casual walk through and feel the stress fade away.

3 ON 3 BASKETBALL COURTS

Love to get out and shoot some hoops? Keep fit and meet new friends all at the same time at the South Park Lands Basketball courts (Opposite Pulteney Grammar School). The courts are extremely popular all year round, so you're guaranteed to get a good workout.

There is even a 3 on 3 social basketball competition (**3Ball in the City**) played on the courts at different times throughout the year. Make sure you keep an eye on the [Active Ambassadors](#) calendar each month for the specific dates. It's your one stop shop for all free and low-cost exercise activities in the City.

ADELAIDE NIGHT MARKET

The [Adelaide Night Market](#) brings a world of colour and cuisine to North Terrace, set under the shady trees of summer afternoons and evenings. Grab a bargain at one of the many unique stalls, relax with the live music and enjoy some delicious street-eats from one of the mobile food vendors.

The Adelaide Night Market is a product of [Splash Adelaide](#) – which is a program trialling new and exciting events and projects around the City all year long.

ADELAIDE BIKE ART TRAIL

There's no better way to explore a new city than by bike! Take a cultural tour of Adelaide on bike with the [Adelaide Bike Art Trail](#). Large scale sculptural works have been developed for eleven locations around the city, which either sit alongside or incorporate a public bike rack, forming a unique cycling art trail through the CBD and North Adelaide.

All of these beautiful Adelaide spots can be visited separately, or you could ride or walk to a few of them together. You can hire one of our Adelaide Free Bikes at [20 different locations](#) around the City.
